

Price List DOI Crossref

mEDRA customers can access Crossref DOI-based services via mEDRA system.

By accessing Crossref international platform, publishers can provide direct links to the content cited in the bibliographic references of their publications, discover where their publications are being cited and increase visibility and access to their publications thanks to Crossref cross-publishers linking network.

mEDRA customers can access the service** upon payment of an annual fee and a supplement from € 0.75 to € 0.80 for each DOI, depending on the DOI bracket (applicable only to DOIs deposited in Crossref system).
